Daily Life

We are very friendly and sociable. We use to kiss each other when we meet.

We are quite noise and we speak loud. Don't worry we are not arguing!

In a typical day we wake up at 7.00 a.m. and we have a light breakfast: milk or/and coffee and a croissant. Lunch is huge and it is about 2.00 p.m., dinner is about 8.00

p.m. A school day usually runs from 8.00 a.m. to 2.00 p.m., from Monday to Saturday. In our school we don't have the break during the classes that last 60 minutes for each.

Culture. Rules and Regulations

We don't have any special religious or social rules. We have some easy rules to respect: we can't smoke inside the school and in public places. We have to respect the teachers and we don't call them by name. We have to ask for permission to go to the toilette or to the cafeteria and we can leave the classroom only one at any time.

On Saturday afternoon we usually organize football matches with our friends while in the evening we go out to meet our friends in the main streets or squares generally there we spend the evening eating a sandwich or other street food.

What else should you know?

Two of the most visited places in Naples are the Vesuvius, an active volcano, and Pompeii, the ruins of an old town destroyed by the eruption of the Vesuvius of 79 a.d.

However don't forget to try the famous Neapolitan Pizza: "Margherita" that represents the Italian flag with the red of tomato, the white of mozzarella and the green of basil; Babà in also popular it is a delicious cake.
